Partner in Preservation: 2026 Sponsorship Opportunities *Protecting the Heritage of the Sutter Buttes and Sacramento Valley*

Who We Are

For over 30 years, the **Sutter Buttes Regional Land Trust (SBRLT)** has worked to protect the Sutter Buttes, fertile valleys, and habitat across **Sutter, Yuba, and Colusa counties**. This long-term commitment to the region is backed by our status as a **nationally accredited land trust**. In this role, we are part of an elite group of conservation organizations recognized for meeting the highest standards of fiscal responsibility, ethics, and permanent land protection.

Our Vision for the Valley

We envision a future where the North Sacramento Valley remains a vibrant mosaic of productive working lands and resilient wildlife corridors. By protecting the delicate balance between our agricultural heritage and iconic natural habitats, we ensure the enduring beauty and ecological health of our home.

Why Sponsor SBRLT?

When you sponsor the Sutter Buttes Regional Land Trust, you aren't just supporting a nonprofit—you are helping to take care of the place we all call home. Your partnership keeps our local landscapes healthy and our community's history alive.

By joining us, you are:

- **Sustaining Working Lands:** Your partnership helps us work with local families to keep their farms and ranches productive, ensuring our agricultural legacy continues for future generations.
- **Enhancing Quality of Life:** Open spaces and clean air directly correlate to higher property values and the physical and mental well-being of our residents.
- **Caring for Our Water and Wildlife:** You are helping to protect the rivers, wetlands, and fields that keep our air clean, our water safe, and provide a home for the millions of birds on the Pacific Flyway that visit us every year.
- **Boosting the Local Economy:** Preserved rural amenities attract tourism, stimulate agricultural investment, and reduce long-term infrastructure costs for the county.
- **Investing in Your Community:** Sponsoring SBRLT shows your customers and neighbors that you care about the future of our local economy and the quality of life we all share.

The Sutter Buttes Regional Land Trust is a 501 (c) (3) non-profit organization, and your donation is tax deductible.
FEIN 68-0204641

The accreditation seal is awarded to land trusts meeting the highest national standards for excellence and conservation permanence.
